Rutland Vt. May 25^d 1894.

Ezra Brainerd D.D. L.L.D

President of Middlebury College.

My Dear Sir.

I wish to present for the Consideration of the Corporation of the College the name of Dr. Charles W. Strobell M.D. of Rutland Vt. as a Candidate for the honorary degree of A.M.

The doctor was graduated from the Medical College at Burlington Vt. in 1882 & has been in successful practice since - is of a literary turn of mind - and may at some time appear as an author.

He is a progressive man, and in every way worthy of the honor, and would do credit to the institution which may bestow it.

Very truly Yours.

O. Wooster.
